When to Administer **Daily** Medication: _____

When to Administer **Emergency** Medication: _____

Further Instructions: _____

Only medication that is prescribed by a physician, or is necessary to support an exceptionality is allowed at camp. All medication must be stored securely with UBC Camp's staff, and not in a child's backpack. A parent/guardian must submit a completed UBC Camps Medication Form prior to the first day of camp if bringing medication to camp. UBC Camps staff are not medical professionals and are not authorized to administer medication. Campers are required to self-administer medication, with staff support.

Are there side effects to the medication? Yes No

If yes, please briefly describe or attach pharmacist's details:

Parent/Guardian Name: _____

Date: _____

Parent/Guardian Signature: _____
