FILMING AND PHOTOGRAPHY – TRUE CALLING MEDIA FILMING TUES JULY 10, 2018

I hereby grant to Producer and Client and its successors and assigns the irrevocable right and permission, throughout the world, to use my name, likenesses and my performance in the photographs, sound recordings and footage as captured by Producer on the date and at the location listed above (the "Material") in connection with the Production, in any manner Producer and Client deem necessary in any media now known or hereinafter devised in perpetuity commencing with the first use on JULY 10, 2018 (the "Term"). In the event that the Client uses the Material in connection with the Production beyond the Term, I agree the Producer will not be responsible and I will not pursue any claims against the Producer for such action by the Client.

I acknowledge and agree that the Material and all rights whatsoever therein and all results and proceeds therefrom shall be and remain the sole property of the Producer (and/or its successors, assignees and licensees), including without limitation, the rights throughout the universe during the Term: (i) to use, re-use or not use any or all of the Material, in any manner at all, in whole or in part, modified or altered, either by itself or in conjunction with other material, in the Production or any film, television, video disc, CD-ROM or DVD (whether or not interactive), Netflix, YouTube or any other Internet-based production involving streaming and/or downloading/uploading content or any other form of multi-media or audio-visual production; (ii) to edit, modify, add to, juxtapose and combine all or any part of the Material in any combination or sequence with or without other material prepared by others and the right to delete any part of the Material for use in the Production, or any prequel, sequel, spin-off or other version or translation; (iii) to reproduce, sell, exhibit, transmit, telecast, broadcast, distribute and otherwise commercially-exploit all or any part of the Material and/or the Production, in any and all manner, media, formats and markets and by any means now known or hereafter devised, and to license others to do any of the foregoing; and (iv) to use the Material, in whole or in part, in connection with advertising or publicizing the Production. I waive any right that I may have to inspect, approve, or receive copies of the Material or Production.

I hereby irrevocably release the Producer and Client, their representatives, agents, employees, successors, assignees and licensees or any of them (the "Releasees") from any and all claims, actions and demands whatsoever arising out of or in connection with any permitted use of the Material, and I hereby waive the right to seek injunctive or other equitable relief against the Producer and Client for any such matter.

Notwithstanding anything contained herein, I consent to the Producer's use of the Material and Production in perpetuity only in the Producer's portfolio, as a show of work to prospective clients of the Producer and related promotional purposes without any further compensation to me.

This Talent Release and Authorization (the "Agreement") constitutes the entire agreement between the parties and cannot be modified except by written instrument executed and delivered to the parties. The invalidity of any particular portion, section or paragraph of this Agreement shall not affect the validity of any other provision herein and, in such event, such invalid provision shall be severable from this Agreement and the remainder of this Agreement shall be construed as if such invalid provision was omitted. This Agreement shall be governed by the laws of the Province of British Columbia, Canada. I have read the above document prior to its execution, and I am fully familiar with the contents thereof.
